Winterland Holiday Decor Proposal

REQUEST FOR PROPOSAL – PROFESSIONAL SERVICES

Holiday Decor Services – The Downtown Community Improvement District
Columbia, MO

Proposals are due by Noon on Friday, July 22, 2016.

The Downtown Community Improvement District (CID) in the city of Columbia, Missouri, is seeking proposals for a holiday décor professional for The District. The Downtown CID is an independent organization dedicated to keeping Columbia's downtown – The District – vital.

The District is a live/work/play neighborhood that fosters the creative, the eclectic, and the local. It is a constantly adapting community of people, with tradition blending harmoniously with high tech and the latest trends in fashion, food and the arts.

The District encompasses 50 square blocks, more than 300 individual properties, 1200 residences and over 600 businesses, non-profits and government entities. (See Exhibit A) Bounded by 3 Universities and Colleges and City Government buildings, the area offers both a strong day and night economy.

Our goal is to secure a holiday décor professional partner to install holiday lighting to enhance the experience of the downtown area.

It is the policy of The District to negotiate contracts for professional services on the basis of demonstrated competence and qualifications for the professional services required and such services shall be at fair and reasonable prices.

Introduction

The Downtown CID announces the release of a Request for Proposal ("RFP") for the provisions of providing and installing holiday decor in downtown Columbia, Missouri. The personnel assigned to those varied functions must come from one vendor that specializes in providing holiday decor services to the public and private sector. The contract will commence on approximately October 1, 2016 for a period of five (5) months, with the option to extend for an additional two years.

The vendor will be expected to provide staffing and equipment needs to fulfill existing and future contract needs.

An interested party may partner with other firms that offer complementary services in order to provide the full spectrum of services required. If a partnership is established, the vendor must have a primary contracting entity and designate the other (s) as a subcontractor (s). The District shall award one contract for management and oversight of all functions described in the Scope of Service.

Scope of Services
